FROM THE EXALTED RULER

Tim Means

To all ELKS of the Lodge

May was a very busy month for the Lodge. We held our annual Mother's Day Ceremony, the Lodge Activities Committee held a Yard Sale, Lodge Members sponsored a fund raising Dinner for "Race for Breath" and a Lodge Member (Jim Rose) with the Activities Committee sponsored a fund raising dinner for Breast Cancer. The Board of Trustees held a BBQ sale. The Home Club House Committee held a Memorial Day Picnic. The Veterans Committee held a Bake Sale and participated in the Hampton Veterans Hospital annual "County Fair". All of these events took a lot of effort and I personally want to say **THANK YOU** to those worked toward their success and to our Members who came out and supported May's events! "Way to go, ELKS".

The Virginia Elks Association Spring Convention is in Williamsburg from Thursday, June 13th to Sunday, June 16th at the Fort Magruder Hotel & Conference Center, 6945 Pocahontas Trail, Williamsburg, VA, 23185. The meetings and breakout sessions will be interesting and helpful. Also the Southeastern District will have a Hospitality Suite (as will other Districts, too) for Member's enjoyment. The deadline is May 29th for any Members wishing to reserve rooms at the hotel (Room rate is \$110, specify two queen or one king bed). For Reservations, call 1-757-220-2250, tell them you are in group code V- E1 or go to www.fortmagruderhotel.com. Since this location is very close to us, I hope many of Lodge # 315 Members will attend and participate. You can go up for the day and evening activities without having to get a hotel room. Also the registering for the Conference is due by June 2nd. Forms are available at the Lodge or on line at www.virginiaelks.org. Please contact me if you have questions.

The funds for a new computer system (including software upgrades) for use by the Home Club, Board of Trustees and Committee Chairman was approved at the May 7th Lodge Meeting. The hardware and software has been purchased and is being set up and software installed.

I addressed the problems with the parking lot and sidewalk to the Board of Trustees in a letter. At their meeting on May 6, 2014, the Chairman of the Board stated that the Condominium Association (Picadilly Walk/Spanish Village) (continued on page 2)

that has responsibility for maintaining the common areas (parking areas & sidewalks) around our Lodge does not have the money to make any repairs at this time. However, he feels that the City is responsible for the sinking around the underground drains that is causing the problem and he will pursue this with the City of Newport News. I will continue to make this an issue with our Board of Trustees on a monthly basis until it is resolved.

The Lodge Committees are doing well this year. Some Committees still need members to serve and help. Please consider a few hours of your time a month to serve on a committee.

MEMBERSHIP; I started the year with gaining new membership as my *most* important goal. I set that goal at thirty (30) new members for this year. We did well for April and May with five new members and two to be initiated in June; however, we have no applications pending and in July and August. We will have only one Lodge meeting in those months. We cannot propose, investigate, ballot, and initiate at the same meeting so July and August will be slow in the process of making a new member; but, we should start September with a backlog to initiate. **REMEMBER:** tell a prospective new member what we do, who we are, what we believe in, and talk to them. Bring them to the Lodge and show them what we are all about. Get started today to recruit a new member!

See YOU at the Lodge Meetings in June!

Timmy Means (PER) - Exalted Ruler

Jim Coleman is in Riverside Hospital ICU, Room 14. Visitation welcome.

Please let an Officer or the Editor know of any sickness or distress or call the Lodge and leave a message. You may also call Freddy Roehr at (757) 877-9670 to report an item for this section.

FROM the TRUSTEES

May has been a great month to get thing up and going. We had a very successful Trustees meeting. With the help of a lot of other lodge members present; Tim Means (ER), Larry Church (Treasurer), Dawn Bardy (Leading Knight), Rich Means (Chairman - Home Club), Michelle Waddell and Paul Ferriera.

The board discussed nine (9) different issues. I'll list all the motions and issues, but not the discussion (The editor wouldn't have enough space). A motion was made and approved to purchase a new computer system for the ER office at the cost of \$2084.00, Which included new system, software, warranty, auto backup and other costs. We asked Zalph Andrews to head up the project. He found us a all in one system plus a good printer and a great software package at a significant discount, (continued on page 3, top left column)

FROM the GRAND EXALTED RULER

Living and giving the American way of life.

As Susanne and I prepare for New Orleans, my final trip as your Grand Exalted Ruler, I am reminded of the story from my boyhood I related to you in Reno. How the neighbor's kid and I would often sit near the curb at the intersection of Jackson Avenue and Route 66 in Sapulpa, OK, on warm summer evenings watching the cars go by and thinking about the many places they represented. We dreamed then of visiting those many places, getting to know the people there and learning about their way of life.

Looking back on the almost 12 months and many miles since that July day in Reno, I am struck by how reality far exceeded the dream of that adventure. Wherever the road took us this last year, we were greeted by generosity and graciousness. We visited big, indeed palatial, Lodges as well as those with modest surroundings and the many in-between. All were passionate about this Order, involved in their communities, proud of their veterans and protective and embracing of their youth. People exhibited genuine affection for each other as well as the stranger, and a willingness to care and share bigheartedly.

In short, we witnessed first-hand American people living the American Way of Life.

In my efforts to identify the many factors that make Our Order "Distinctively American" in that acceptance speech, I thought I had done a pretty thorough job. It's pretty easy, after all, to connect the Elks to Liberty, Godliness and Community. Yet with every visit this year I learned the inadequacy of that effort. The Order of Elks is literally woven into the fabric of this Country, an integral part, and a reinforcing presence wherever Elks live their lives.

I also thought, after 37 years of membership, that I had a good grasp of what I meant when we adopted the remainder of our theme: Elks Give. Yet I barely touched on the length and depth of Elks' generosity. Our goals turned out to be too modest and were far exceeded. In addition, both the quantity and quality of all that you do for the people of this nation also went far beyond our anticipations.

I wish every Member could have this experience. Hopefully the letters we have prepared, articles in the magazine, and the blog have conveyed some sense of how much there is for every Elk to be proud of as a Member of the Benevolent and Protective Order of Elks of the United States of America.

In short, Elks are Caring and Sharing, Living and Giving the American Way of Life as never before.

May it ever be so.

Thanks to you all, and congratulations on a job well done.

for a saving of over \$600 on the project. A motion was made and Approved to spent \$200 toward food (hamburgers & hotdogs) for the fall Seventh Annual Charity Golf Tournament on Sept 26, 2014. Larry Church and Bill Howell will be the points of contact. They need a help for Hole and Team sponsors, so get the word out, volunteers are always welcome.

We also discussed a need for better key control and the need to rekey the locking system. Sarge and Zalph Andrews will head up the project. The Lodge approved funds for this at the May 21st Lodge Meeting. We also discussed the parking lot and sidewalk issue. The Condo Association will contract the city storm drain people to see what is going on with the sinking drive and sidewalks and to find a solution to the problem. An issue of who should purchase additional shirts for Bar personnel was discussed. The Board determined the Home Club House Committee was responsible for purchasing the shirts. Another issue presented was that the upstairs bathrooms were in need of repair, after some discussion a motion was made and approved for \$400 (Passed at the May 21st Lodge Meeting) to cover the cost of repairs. Gene Nichols was asked to look at the problem and fixed both baths at little cost. Thank you Gene.

Michelle Waddell had a issue that the \$1800.00 raised last year for Hampton Veterans Hospital (Wounded Warriors and Women Veterans) had never been dispersed. A motion was made and approved to issue the check to the Hospital . A motion was made and approved to issue a check for \$1143.00 (funds raised during Sub Nite May 10th) to Riverside Hospital Cancer Foundation. Also, a it was pointed out that the "Race for Breath" and the "Breast Cancer Program" were not included in the Lodge Budget 2014 - 15 donations list. The Board will add these items in the next Lodge Budget update.

The Trustees Annual Charity Bar-B-Que was held on May 16 & 17th and it was a great success, All the Trustees pitched in and along with the help and gliding hand of Larry Church, the team cooked over 300 pounds of pork butts made into BBQ. We would like to give a special thanks to Ellen Gillard as the top salesperson (Top Sales Award - \$50 Prize), Karl Knobel for the baked beans, Michelle Waddell and Cheryl Sloggie for help packing, weighting, taking orders and getting the meals out. We made \$452.00 for the ENF.

Oh yes, for the Sales Winner and "weasel" Charlie Waddell, you and your love win a breakfast on Sarge.

And last but not least, the Thursday Night Charity Cards players would like to donate and additional \$150 (matched by Sarge) to the \$200 donated earlier for a total of \$500 toward sending our kids to the Elks Youth Camp.

Again the Trustees Thank you for all the good work to make our lodge the best

VETERANS COMMITTEE REPORT

In the month of May on Wednesday the 14th we joined forces with many other charitable organizations at the VA Hospital for the annual County Fair. The

Veterans enjoyed the day filled with music, antique cars, playful talkative parrots, food, games and lots of novelty ice cream. There were approximately 40 carnival games for the men and women to play and of course they were all winners. We gave out over 130 crossword books and pens to our Veterans at our carnival game tent. BIG thanks go out to Hilde Woods, Carol McDonald, Stan Akins and Zalph Andrews for helping me serve and honor our Veterans. Also thank you Freddy Roehr for making all the wonderful and great tasting food your organization donated.

On Saturday, May 17th we held our Annual Veterans Bake Sale. There were cookies, breads, muffins, cupcakes, brownies, fudge and fresh lemonade. We raised over \$200.00 for our Veterans. I want to personally thank all the bakers of our lodge, Donna Gaddis, Gwen Means, Karen Ruscoe, Karen Greggers, Ellen Gillard, Zalph & Vicki Andrews, and Paul Ferreira for making this the best ever Bake Sale we have ever had. Thank you to Jimmy McDonald for his cash donation. Also thank you Shelly Spencer and Vicki Andrews for taking your time out of your day to manage the Bake Sale table...you all did a wonderful job. Saturday, May 31 we had planned a Pizza Party for the Wounded Warriors at Ft. Eustis; but, unfortunately the process has changed and we now have to submit an application and be approved for all events we do for the Veterans. So keep your eyes and ears open for the new date and time, hopefully we will reschedule it this month.

We also had a drawing this month and Debbie Janowski was the winner and she generously donated \$20.00 to the Veterans. Thank you, Debbie.

Our own (bartender) Cheryl Sloggie has started her own fundraising for the Veterans. The "NO FOWL LANGUAGE" campaign. Some of you (embarrassed to say but including myself) have been asked for a quarter from Cheryl for using inappropriate language at the bar. To date she has raised over \$24.25. Thank you, Cheryl for your campaign for the Veterans and to clean up the language at the bar.

Candy Bar For The Veterans sales are doing well, except for the occasional theft of one or two...*shame on you, you know who you are.* If you have a sweet tooth for a certain candy bar please let Paul Ferreira know. He's are candy bar man.

The month of June thru August is vacationing time for many of us so we have decided to keep the Veterans events to a minimum for the next couple of months but we are challenging the lodge members with our first ever DVD drive. DVDs4VETs is a non-profit organization that collects and distributes DVD's to our VA Hospitals were they are needed. We have

(continued on page 4, top left column)

RECRUTE A NEW MEMBER, TODAY !

set the goal of 1000. Together we can exceed this. If each member donates this comes out to 6 DVD's per member, that's little to ask for the Veterans who have proudly served and defended our country.

As part of an ongoing monthly program we provided over \$100.00 of snacks and goodies to the USO at Newport News/ Williamsburg Airport.

Many of you have said to me, "I don't have a Veterans Volunteer Badge to help you with the Veterans". You don't need one unless you go inside the VA Hospital. The Committee does many activities and events outside the VA Hospital that you can help out with, so come to our Veterans meeting on Thursday, June 5 to get the knowledge you need to help serve our Veterans or ask a committee member what you can help with.

Upcoming Dates:

Thursday, June 5th Veterans Committee Meeting 6:30
Wounded Warrior Pizza Party to be announced.
DVDs Challenge for the next 3 months.

Bonnie Stepp - Veterans Chairman

ACTIVITIES COMMITTEE REPORT

On Saturday, May 10, 2014 we hosted our First Annual Breast Cancer Fund-raiser. This event was sponsored by Will Rose in conjunction with the Activities Committee. Once again, our Elk's family joined together creating a fun and successful event.

Michelle Waddell, our cook, sold out of dinners after approximately 72 subs were made! Thank you to everyone who bought a dinner, all those who donated monetarily and towards our gift basket, and everyone else who came out to support us. We'd also like to thank Helen Chewing for the donation of a beautiful painting through Lazy Boy Furniture. With everyone's help, we were able to raise \$1,143 for our local Riverside Hospital Cancer Foundation.

In addition, we'd like to give a shout out to Vickie Ferreira and Barb McDonald for doing an awesome job selling raffle tickets. Thanks again to everyone for your donations, your time, and your support. We are looking forward to our 2nd Annual fundraiser next year! As we all know, when we come together like this, Elks do great things!

Jennifer Curran - Activities Committee & Will Rose

FROM the YOUTH ACTIVITIES COMMITTEE

It's that time of the year again! This year our girls will be going July 13th- 19th, and the boys July 27th- August 2nd. Boys and girls between the ages of 8 to 13 are accepted at the camp. There is no cost to the child to go to the camp; however the Lodge

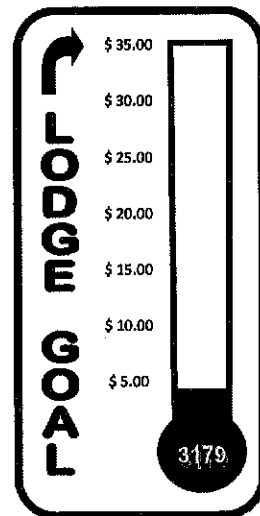

for the attendees we sponsor. Anyone interested in sponsoring a child is welcome. Each lodge in the state has a quota of children to send to Camp. Last year we exceeded our quota and expect to do so again this year. I will have Camp Applications and complete list of guidelines to complete them soon. All applications for girls will be due FRIDAY, JUNE 27th. All applications for boys will be due FRIDAY, JULY 11th, so I can make sure all forms are filled in completely.

I will also need volunteers to help get the children to and from camp, if your interested in this please let me know. The Youth Camp work date is June 28th.

Michelle Rowe - Chairwoman

FROM the ELKS NATIONAL FOUNDATION

The current ENF per capita amount is \$3.48, and we are fourth in the state. That amount is still based on the 2013 membership of 143, but will drop a little when the ENF updates to the 2014 membership. The committee is certain that the amount will improve, and we will meet the Grand Exalted Ruler's goal of \$4.60 in no time. The ENF funds so many good programs such as: Veterans, Most Valuable Student and Legacy Scholarships, Hoop Shoot, and the service grant programs to mention a few.

Please donate when you can, THANK YOU to those who have already donated. Remember a painless way to donate is through the Fidelity Club.

Karl Knobel (PER, PDDGER) - Chairman

May was a very productive Month. We had two charity dinners , "Race for Breath" and Breast Cancer Awareness.

These events raised a significant amount of money. I would like to thank all who were involved. Also, on May 17th the Home Club had a stand selling Hot Dogs and Hamburgers at the Lodge Yard Sale. This earned \$160.00, thanks to Paul Ferrera, Jeff Gaddis and Johnathan Rice. Thanks to all Saturday Night chefs; however, remember you are responsible for clean-up after your meal.

3 Reasons Not To Mess With Children

A teacher was giving a lesson on the circulation of the blood. Trying to make the matter clearer, she said, Now, class, if I stood on my head, the blood, as you know, would run into it, and I would turn red in the face. "Yes," the class said. "Then why is it that while I am standing upright in the ordinary position the blood doesn't run into my feet?" A little fellow shouted, "Cause your feet ain't empty".

The children were lined up in the cafeteria of a Catholic elementary school for lunch. At the head of the table was a large pile of apples. The nun made a note, and posted on the apple tray: "Take only ONE. God is watching." Moving further along the lunch line, at the other end of the table was a large pile of chocolate chip cookies. A child had written a note, "Take all you want. God is watching the apples".

One day a little girl was sitting and watching her mother do the dishes at the kitchen sink. She suddenly noticed that her mother had several strands of white hair sticking out in contrast on her brunette head. She looked at her mother and inquisitively asked, "Why are some of your hairs white, Mum?" Her mother replied, "Well, every time that you do something wrong and make me cry or unhappy, one of my hairs turns white." The little girl thought about this revelation for a while and then said, "Mummy, how come ALL of grandma's hairs are white?"

RECIPE of the MONTH

Chipotle-Mango BBQ Chicken

- 1 1/2 cups mango, peeled, pitted and roughly chopped
- 3/4 cup fresh cilantro (loose pack, not chopped, stems and all)
- 2 tablespoons fresh lemon juice
- 2 tablespoons unseasoned rice wine vinegar
- 1 tablespoon canola oil, plus extra for grill
- 4 cloves garlic, peeled
- 2 chipotle peppers in adobo, plus 1 tablespoon adobo sauce
- 2 teaspoons kosher salt
- 1 teaspoon freshly cracked black pepper
- 2 pounds chicken thighs and drumsticks, bone in, skin on

Put the mango, cilantro, lemon juice, vinegar, oil, garlic, chipotle, salt and pepper in a food processor and puree until smooth. Adjust seasonings to taste. Add the chicken with half of the chipotle-mango sauce to a re-sealable plastic bag, and massage to coat the chicken with the sauce. Refrigerate at least 6 hours to marinate. Put the other half of the chipotle-mango sauce into a small saucepan and simmer over low heat until thick, stirring often, about 15 minutes. Set some of the simmered sauce aside to serve on the side, and baste the chicken every few minutes with the rest of the sauce. Preheat a grill or grill pan to medium-high heat and brush with oil. Remove the chicken from the marinade and put on the grill. Grill the chicken, turning and basting about every 5 minutes, until cooked through, 20 to 25 minutes. Transfer to a serving platter and serve with the reserved chipotle-mango sauce.
