**FROM THE
EXALTED RULER**

Timmy Means

To all ELKS of the Lodge

Summer will be ending soon. I hope all members have had a great time in the warm weather this season brings to us. August was a slow month for Lodge activities; however, starting in September and for the fall and holiday season we will have a full calendar. This is the time when Lodge committees with their planning and execution of programs and plans can shine. *I encourage all Lodge Members to volunteer, participate and enjoy the fall and holiday season functions!*

On August 3rd, I and the Lodge Leading Knight (Dawn Bardy), Lodge Secretary (Mike Korb, PER, PDDGER) and Zalph Andrews (Trustee) attended the new Virginia South-eastern District Deputy Grand Exalted Ruler, Paul Shoemaker's, 1st Clinic of the year at the Virginia Beach Lodge # 2268. We learned a lot that can help our Lodge for the rest of the year. It was noted that we have the second lowest Lapseation rate in the District and our Veterans Program was recognized as active and impressive. We received a certificate for being second in the District and second in the State for Elks National Foundation per capita donations for last year and we have already met the Grand Exalted Rulers goal for this year. Also the DDGER announced that the next Clinic would primarily be an ELKS Training Program.

September brings several significant events at the Lodge: Labor Day Picnic, Membership Appreciation Day, The Charity Golf Tournament, The Salute to Veterans Dinner and the Annual District Deputy Grand Exalted Ruler (DDGER) visit (and audit) to the Lodge. Please see the September Lodge Calendar and the Ads in Pages 5 & 6 for details. Also during the DDGER visit on Wednesday September 3rd the audit will be late in the afternoon, followed by dinner and the Lodge Meeting. The DDGER will observe an Initiation at the Lodge Meeting. All Lodge Officers are invited to dine with the DDGER and his staff (complimentary) and are expected to attend the Lodge Meeting.

Membership is still *My number one priority* for this year. We have several applicants waiting balloting and initiation and several members have indicated that they are recruiting others but we are still way behind on the GOAL that was set! Bringing new members into the Lodge is a responsibly all Members share in, so Let's all get busy

and do it. Remember the Lodge Year is half over!

REMEMBER things said casually in the Lodge about a member, their family or other issues not directly affecting the Good of our Order may be hurtful to the Member and to other Members. The best policy is never to discuss things about other member's actual or perceived problems. In the obligation we all swore to during our initiation in part says - " I will always protect our members, their good names and their families" *I expect our Members to remember this and conduct yourself accordingly.* Issues that may affect the Lodge or the Good of the Order shall be reported to me. I shall then take the appropriate action under our By-Laws and the Statutes of the Grand Lodge. Lodge Officers are forbidden to discuss such issues (especially in the Home Club) until they are adjudicated by the procedures under which our Lodge operates.

**I WILL SEE YOU AT THE LODGE MEETINGS
IN SEPTEMBER.**

Timmy Means (PER) - Exalted Ruler

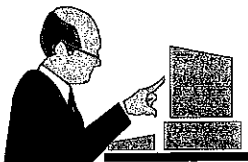

Jim Coleman is still in the Riverside Rehabilitation Center, Visitors are welcome. Vicki Andrews's Mother passed on August 8, 2014 (she was 108 years old).

Hugh McVicker is suffering and being treated for throat (stage 4) cancer. Kenneth (Robbie) Robertson is in Riverside Rehabilitation recovering from a serious back injury. Al Sams had an aneurysm and stroke and is now recovering well.

Please let an Officer or the Editor know of any sickness or distress or call the Lodge and leave a message. You may also call Freddy Roahr at (757) 877-9670 to report an item for this section.

SECRETARY'S NOTES

We still have seven members who have not paid their dues for this year. They are:

Richard A. Brown, Douglas D. "Rocky" Franklin, Scott E. Gibson, Diane Mayer, Carol Nicholson, Paul Smith & Mark A. Webb.

If you see any of these members, please urge them to pay their dues. They are missing out on exciting things that are happening at our Lodge by not being a paid up member. Furthermore, until their dues are paid, they cannot enter this or any other Elks Lodge. Finally, if they do not pay their dues, they will be dropped from membership, and then they can only be restored to membership in accordance with the laws of the Order.

At our first meeting in September we will receive the new District Deputy, Paul Shoemaker, for his first official visit to the Lodges in the Southeast District.

FROM the GRAND EXALTED RULER

The successful Lodge emphasizes teamwork

It is well recognized that an organization reflects the persona of its leader. In our Local Lodge structures the Exalted Ruler is President and Chief Operating Officer. It is imperative that this leader have the ability and motivation to get things done through others. There are simply too many things in motion for the Exalted Ruler to handle them all, in addition to presiding over meetings. The one power that an Exalted Ruler has – and how this power is used will determine a good year or be the cause of a bad year – is the appointment of committees. As leaders of your organization, choose your committees well and you will have a smooth and successful year.

Officers, committees and Members must all work together for the success of the Lodge. An authoritative management style rarely works well in a volunteer environment. The phrase that "it is much more effective to use honey as an incentive rather than vinegar" exemplifies an effective management style.

I frequently hear the complaint that only 5 percent of the Members do all the work. If that concern applies to you then on your next project go to inactive Members, call them on the telephone and ask for their help. You will be surprised at how many Members were simply waiting for someone to invite them to become involved. A good leader recruits the personnel needed to accomplish the goals of the Lodge.

In addition you must constantly reach out to those inactive Members to keep them interested and remind them why they joined your Lodge in the first place. One easy and effective tool for this purpose is your Lodge newsletter. Be sure every issue has at least one article and photo of a community service or charitable act performed by your Lodge Members. An inactive Member who sees that the Lodge is performing a useful community service is much more likely to value membership and continue to support his or her Lodge with annual dues.

Again, be sure to carry a tri-fold membership application – a propitious moment for inviting someone to join can be fleeting and lost if there is no paperwork handy.

Last, but not least, Patriotism Week starts September 8 this year. Be sure to fly the American flag all week in remembrance of that terrible event, September 11, 2001.

John D. Amen - GER

EDITORS NOTE: The source of the above article is *ELKS.org* - the format, BUT NOT the CONTENT, was edited for this publication.

At that meeting business should be restricted to what is absolutely necessary. Comments and reports should also be kept to a minimum. No one shall speak after the District Deputy speaks under the Good of the Order, except for the financial reports and the closing ritual.

Mike Korb (PER, PDDGER), Secretary

FROM the BOARD of TRUSTEES

With the cooling month of September nights coming forth, and school programs gearing up, late August has kept some of us busy. At the last Lodge Meeting the members voted to allocate \$2,000 to "The Field of Friends Program" sponsored by the North Precinct of the Newport News Police Department to help out the local community (this will help us qualify for a grant).

Other items approved include: \$140 for Denbigh Day (\$65 for Denbigh Kiwanis Club program advertising and \$75 for lot spot on September 20th for Drug Abuse and a Snow Cone tent), \$1000 for a new service contract for the kitchen grease trap and replacing the seal, and finally \$200.00 for a new awning and protection shield over the kitchen hood vent system.

I would like to give a special Thank You for a job well done for the lodge members who volunteered help on August 22nd during "The Field of Friends" Day at the Newport News Boys and Girls club. Dennis Cantrell and I got the ball rolling early by filling and delivering the ice (donated by De Maris Seafood (a lodge member) for the Program. Lodge Members Michelle Rowe with a volunteer and a Precinct Officer set up the Snow Cone Station and turned out 1,100 snow cones in the first two hours. With the help on several North Precinct officers we set up a grilling station and turned out 2,000 Hot Dog for the kids, Meanwhile Zalph Andrews was helping Officer Young (a Lodge Member) with some operations and he had his trusty camera snapping a lot good pictures of whole event (see page 6). So again, "Thank You" to the Lodge Members for their time and effort in supporting our community and showing that; "ELKs care - ELKs Share".

At the last lodge meeting Mike Krob brought to our attention, a program for Industrial Safety Glasses to be given out to local high schools. I know a lot of you see articles in the ELKs Magazine about this program (most of the money comes from grant funds). The Trustees would like to see us get in the program and we will ask for funds (approximately \$300) at the Lodge Meeting on September 17th. The Hampton Lodge # 366 would like to pair up with us on this program, so we be looking for volunteers to get it up and rolling (maybe we can good publicity too).

We would like to apologize for the Door Bell and Camera system, We got a fix on it that didn't last very long. Funds had already been approved to replace it. The new system has been ordered and is expected to be installed and working by September 1st.

We would also like to give P. J. Fresquez a pat on the

back, a thank you or buy him a beer for the great job power washing and painting all the exteriors doors, deck, rails and picket fence around the Club and to Charlie Waddell been doing the weeding and lawn cutting around the Club. "Thanks" guys.

It is still not too late to volunteer or sponsor a hole or team in the upcoming 7th Annual Charity Golf Tournament on 26th September. Need a set of clubs, I had one to lend!

Again, "Thank You" to everyone for helping to make our Lodge the best.

Ed (Sarge) McCurdy - Chairman

FROM THE ACTIVITIES COMMITTEE

On September 27th we will have our 6th annual "SULUTE TO VETERANS" Dinner and fund raiser to support our Lodge Veterans Programs. For the newer members and also for older members too, the Theme attached to this function each year is "MELINDAS CAUSE". There is a special reason for this. Her name was Melinda Angel (*and she was an angel*) who served as the Lodge Veterans Committee Chairman from 2007 to 2010. Melinda took the job as Chairwoman and because of her deep rooted feelings about Veterans our Lodge programs excelled. She set up activities and functions to support Veterans that has yet to be matched. Unfortunately, Melinda was lost to cancer in 2010. Those who worked with her on Veterans issues will always remember her dedication to her cause "VETERANS". Because of her lasting impact on our Lodge Veterans Programs each year this function, in her memory, has been known as "MELINDA'S CAUSE".

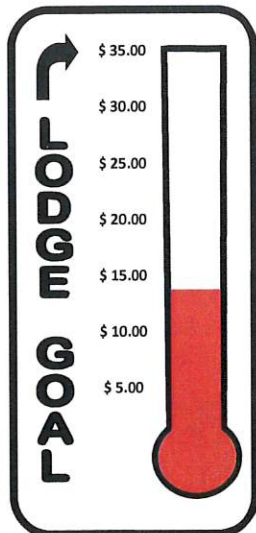

This year in addition to a wonderful dinner, raffles and door prizes the Committee will after the 1st of September will be selling small banners for members to purchase for \$2.00 each. Buy one, sign your name on it and they will be posted in the Lodge so all can see your support for our Veterans Programs, plus you may win a nice prize too. Please buy 1, 2, 3, 5 or more they cost less than the price of a beer!

For more information about our great dinner and program see the Ad on page 6 or contact a member of the Activities Committee.

Jennifer Curran - Chairwoman

FROM the ELKS NATIONAL FOUNDATION COMMITTEE

The Lodge is as of the September 13th report at \$13.50 per capita making us second in the State. Our Lodge goal this year is \$35.00 per capita. The Lodge Year is half over so we are behind. Remember that the emphasis of support to the ENF is individual member donations and not those of a Lodge. The Fidelity Club is an easy way for a member to donate. For a minimum of \$5.00 a month or \$15.00 quarterly deducted form the bank or credit card of your choice is a great way to participate! Please consider this method. Thank you to members who have donated this year.

Karl Knobel (PER,PDDGER) - Chairman

EDITORS NOTE: the above article was composed by the Editor on behalf of the Committee Chairman.

FROM the YOUTH ACTIVITIES COMMITTEE

In addition to the ones I thanked in the last "ELK's HORN" for sponsoring kids and helping taking the girls to camp I'd like to also thank Larry Church, Karl Knobel, Michelle & Charlie Waddell as well. A special *thank you* to Dawn Bardy and Jack Waddy for assisting me in transporting the boys to and from camp.

Two of our campers Nate (left) & Alex (right) Alex is holding his "Camper of the Year" Award

RECOGNITION OF ELKS SUPPORT TO OUR COMMUNITY

On May 10th of this year we held our 1st Annual fund raising Dinner for Breast Cancer Support. This Dinner was hosted jointly by the Lodge and Member Will Rose. We raised \$1,140.00 and donated the proceeds to the Riverside Cancer Center. In recognition of our donation they have placed plaques on their "TREE of LIFE" in the lobby of the Cancer Center on the Riverside Campus.

LITTLE vs BIG

One day the pilot of a Cherokee 180 (a Cherokee is small single engine, 3,200 pound, 4 seat private airplane) was told by the tower to hold short of the active runway while a DC-8 (a DC-8 is a 4 engine, 260,000 pound, 200 passenger commercial airliner) lands. The DC-8 landed, rolled out, turned around, and taxied back past the Cherokee. Some quick-witted comedian in the DC-8 crew got on the radio and said, "What a cute little plane. Did you make it all by yourself?" The Cherokee pilot, not about to let the insult go by, came back with a real zinger: "I made it out of DC-8 parts. Another landing like yours and I'll have enough for another one."

"SPAGHETTI"

For several years, a man had been having an affair with an Italian woman. One night, she confided to him that she was pregnant. Not wanting to ruin his reputation or his marriage, he paid her a large sum of money if she would go back to Italy to secretly have the child. Also, if she stayed in Italy to raise the child, he would provide child support until the child turned 18. She agreed, but asked how he would know when the baby was born. To keep it discrete, he told her to simply mail him a postcard, and write "Spaghetti" on the back when the child was born and He would then arrange for the Child Support Payments to begin. One day, about 8 months later, he came home to his confused wife. "Honey," she said, "You received a very strange postcard today." "Oh, just give it to me and I'll explain it later," he said. The wife obeyed and watched as her husband read the card and fainted!

On the card pictured below was written:
