FROM THE
 EXALTED RULER

Timmy Means

To all ELKS of the Lodge

This is the last month of Lodge Year 2016-2017. I am proud of the many accomplishments of the Year. We had many successful events. We again had great support for veterans, our community, charities, youth and The Elks National Foundation. I wish to thank all committees who worked hard to make that happen. On the social side the many events held were successful and enjoyed by Members. Thank you to the House Committee.

Now for the New Lodge Year (2017-2018). Several Committee Chairmen will for special reasons not be able to continue in those positions. Committees are most important to the continued success of the Lodge. I ask all to consider serving as a chairman or on a committee especially new Members who have become Elks during this year. In most cases doing so will only require a few hours a month. Please volunteer! The Lodge has to report to the Grand Lodge by April 15, 2017 the names of committee chairmen and members. Most committees require a minimum of three members. Please let me know if you wish to volunteer.

I would like to say a special "Thank You" to two outgoing Committee Chairman and a Trustee. To Charlie Waddell who has served two five terms as a Trustee and has spent countless hours doing many things big and small for the Lodge. To Bonnie Stepp for overseeing a great Veterans Program that all Members are proud of. To Rich Means for chairing the House Committee for years that resulted many great social events and some good steak dinners too. You all will be hard to replace. I only ask that you will be available to help your successors when asked. Your work has represented the best of "ELKDOM". Again on behalf of all Lodge Members "THANK YOU".

As a reminder to new committee chairmen, you should review the approved Lodge Budget for last year and be prepared to make changes for the next Lodge Year.

I am very proud of the effort made by Members in recruiting new Members. We are on track to finish with a net membership gain of over five present. Two members Ray Fletcher and Irvin Brown have each sponsored three or more New Members and will receive a Certificate of Appreciation from the Grand Exalted Ruler. Remember, Membership is the "life blood" of this or any Elks Lodge. I expect some Membership losses in the new year;

The Slate of Lodge Officers for Lodge Year has been elected and is published in the Secretary Notes following in this Newsletter. Their Installation Ceremony will be on Sunday, March 26, 2017 at our Lodge at 2:00 PM. It will be followed by the Annual Awards presentations. There will also be snacks. This is an open ceremony and all Lodge Members, Family Members and Friends of Elks are invited.

The Elks National Foundation Committee has done an excellent job in keeping our Lodge at or near the top per capita in the State and in the top 10% Nationally. Thank you Michelle Rowe (and Jeff, too) for your efforts in this endeavor.

Thank you to the Lodge Activates Committee, chaired by Jennifer Curran (and Art, and Michelle Waddell too), for all the events sponsored and also for decorating the Lodge for holidays and special events.

Again this year I will try to develop a Master Lodge Calendar that I hope will establish approximate dates for all Lodge Activities for the New Lodge Year. I have asked the Secretary to review the previous year calendars and newsletters and present a list of previous events. In early April I will ask committee chairmen to review that list and make need changes.

I will say to all Members who reside in the local area that Lodge business is conducted at Lodge Meetings. What constitutes Lodge Business by subject and order conducted is stated in Section 15.020 of the Statutes of the Order and on the last three pages of our Lodge By-Laws. Be there or you LOOSE your right to complain about the business conducted!

I WILL SEE YOU AT THE LODGE MEETINGS ON

MARCH 1st & 15th

FROM the GRAND EXALTED RULER

Teamwork is the recipe for Local Lodge success

We will soon complete another very successful Local Lodge year, and this is due to your dedication and continued hard work in the name of Elkdom. Each Member should be very proud of the work he or she does for our veterans, our youth, our elderly and our communities. Each of you has truly lived up to my motto, "Elks ~ Leading the Way."

I would personally like to thank all the outgoing Exalted Rulers, their Officers and their Lodges for the continued support of the many Grand Lodge programs, and especially for your donations to the Elks National Foundation, which as you all know is the Great Heart of Elkdom.

I would also like to recognize our current District Deputies and their District Esquires for their hard work and determination thus far this fraternal year. While their term of office does not end until the Grand Lodge Convention in July, each one of them has spent countless hours and has driven many miles traveling throughout their respective state in carrying out their duties, and promoting what it means to be an Elk. I know they will continue to work with the newly elected Officers who will guide the affairs of our Lodges in the coming year.

To our newly elected Exalted Rulers and Lodge Officers, I would like to thank each of you for stepping forward to lead your respective Lodge and continue to carry out the good works of our Order. You are now part of a team – make it cohesive by strengthening your relationship with your fellow Officers. View your service as the opportunity to make new friends in your Officer corps, and learn from your experience during your service as an Officer of your Lodge. An Exalted Ruler cannot do it alone. You should be proactive in seeking opportunities to be an important contributor to the advancement and success of your Lodge.

As you lead and support the activities in your Lodge, remember that your actions are supporting the concept of "Elks ~ Leading the Way." As Officers, you must be exemplars of "Brotherly Love." Be mindful of "taking the high road" when times get tense or conflict arises. Utilize the resources that have been provided by the Grand Lodge, your State Association and your District. Take advantage of the many educational opportunities that will be presented to you as an Officer. District Deputy Clinics provide a great opportunity to learn about Elkdom and the programs of the Grand Lodge. Do not forget that the Elks manuals are available for downloading at: <http://www.elks.org/grandlodge/manuals>

In closing, I wish each of you a very successful and rewarding year. I know you will set goals for your Lodge to meet, and with hard work, determination and the support from your Members, these goals can be and will be achieved.

Finally, thank you for being an Elk, and for Caring and Sharing.

MICHAEL F. ZELLEN - GRAND EXALTED RULER

I donate approximately 25+ hours a month to the effort. I thank all who have made constructive comments to me for the few editorial

mistakes. I hope you have and will continue to enjoy reading the Newsletter.

Again, I ask all proposers of candidates to carefully read and fill out all required areas of an application. The information on the application is necessary in order to process the candidate. An incomplete application only delays this process.

As a note to Members who attend Lodge Meetings I will be recording the proceedings. This is to help me insure that minutes of Meetings are correct. I have a hearing problem when in a group with background noise. Taping is allowed under the Statutes, Section 12.050, opinion 04. Tapes will be erased after minutes are converted to writing and shall not be used for any other purpose.

In conclusion, I would like to say to Members who have had the faith in and elected me to continue to serve as the Lodge Secretary, thank you. I am starting my 28th year as an Elk and my 26th year as a member of this Lodge. Zalph Andrews, Jr. - Lodge Secretary

FROM the BOARD of TRUSTEES

The Board of Trustees held its monthly meeting on February 7th, 2017. We discussed multiple Lodge issues.

We also reviewed the previous month's vouchers and found no discrepancies.

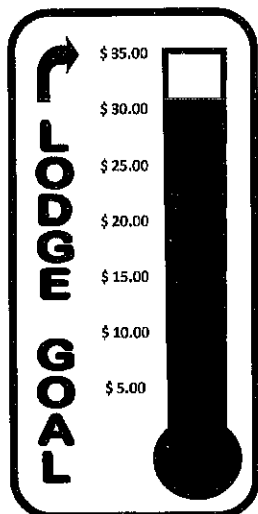

During February a number of repairs and events were accomplished. They included the annual fire inspection (no discrepancies noted), the kitchen fire suppression system was updated and filters cleaned. The Ice machine was repaired and cleaned. The deep fat fryer was repaired. The fan in the ladies bathroom was repaired and new blinds were installed throughout the Lodge. As a reminder, there is a book in the bar where Members who notice items requiring attention can note them. It is checked regularly. We can not fix it if we don't know about it!

It is budget time again. Committees need to review the current Budget and provide updates by the March 15th. The Budget for next year must be approved by the second Lodge Meeting in April.

I would like to welcome Chris Bartelsmeyer to the Trustees. He was nominated at the Lodge Meeting on the 1st February and was voted in on the 15th of February. We are looking forward to having him as a Trustee.

FROM the ELKS NATIONAL FOUNDATION COMMITTEE

Currently our lodge's per capita donations are at \$30.83. We are 2nd in the state. This is good but we can do better. We are still in the low level of support for the district. Right now I see a total of 14 individual donors & we have 150 members? Come on y'all we can do better this. To get your donation in on time for it to count for this fiscal year please make all donations by March 15th. I would like to send out a special thank you to Karen Ruscoe For making a donation to ENF out of money collected from football charity event. It is not part of \$30.83 so that will give us a bump. Thank you Karen & All members that participated in this event.

One of our fellow lodge members has reached the Elks National Foundation's Permanent Benefactor cumulative giving level, having donated a total of \$2000.00 or more to the foundation. This is a tremendous milestone to reach, Thank you Zalph Andrews for your generosity. Congratulations on this big accomplishment.

Again, If you haven't donated this year MARCH 15th is the DEADLINE. If you cant find the time please see me & I will do help you get your donation in. The mission of the Elks National Foundation is to help Elks build stronger communities. We fulfill this pledge by investing in communities where Elks live and work.

Michelle Rowe - Chairwoman

VETERANS REPORT

The Veterans committee met on February 2nd to conduct our monthly meeting.

I do want to apologize for our Veterans dinner that was planned for last month. There was a mis-communication

and I'll leave it at that.

March 1st. 17th Spring Raffle... multiple drawings!!! Ask a Veteran's Committee Member or your bartender for tickets...1 for \$1.00, 6 for \$5.00, 15 for \$10.00 and 35 for \$20.00

I wish the new chairman a successful year and vision for the Veterans Charities. I'll be here for you for guidance and questions you may have. Remember to keep the Elk's motto in your heart and you will prevail.

Again I would like to thank the Committee Members for a wonderful year, well done. Sincerely,

Bonnie Stepp - Chairwoman

SCHOLARSHIP PROGRAM REPORT

The ELKS NATIONAL FOUNDATION (ENF) Most Valuable Student Scholarship Program is alive and well as Sponsored by our Lodge.

We received 23 applications from High School Seniors in our Lodge Area. The Lodge is only allocated six (three girls & three boys) to be forwarded to the District competition. From District we had four of six submitted to advance to the State Level. They were: Caroline Kersey - Gloucester High, Matthew Nalls - Summitt Christian Academy (York County), Kyle Mastracci - York High School & Tyler Smith - York High School.

The results of the State competition will be released before the end of the month. We wish our students success in the competition ahead.

Delma Kellum - Lodge Scholarship Coordinator

FROM the HOME CLUB HOUSE COMMITTEE

In the past Lodge Year the House Committee sponsored 15 Lodge Social Activities. This does not include steak dinners that were normally held on Saturday night as part of a regular menu. We had a great Lodge Year. Thank you to all who supported us.

Check cashing abuse is still a problem. The policy is posted. Bartenders are required to follow the policies set forth. They are required to enforce the policy.

House Committee Meetings are open to Members except when the Committee goes into executive session to deal with a special situation. Please come and give us your input. Also, there is still a suggestion box by the front door of the Lodge.

The House Rules are published as part and inclusive of our Lodge By-Laws. Respect them.

The Committee has contracted to put a pool table back into the backroom. We hope all will enjoy it.

I have served on the Home Club House Committee both as a Member and as the Chairman and this will be my last article. As of April 1st, I will no longer be serving as Chairman of the House Committee. I have been Chairman for the last 4 years and have served on the Committee for the last 8 years. I need a break between work and family. I have enjoyed the last 4 years and I hope the Members of the Lodge have too. I also want to thank the people who have served with me to make all this possible. I could not have done it without them. Also I want to thank my wife, Amy, who has helped out so much. I will still be very active in the Lodge and still cook dinners here and there.

I would love to see more members get involved in the Lodge, because the same volunteers are getting "burnt out". So in closing, thank you for being supportive and give your new Chairman, Barbara McDonald the same respect you gave me. We need new members to volunteer for the House Committee.

Rich Means - Chairman

FROM THE HOOP SHOOT COORDINATOR

On Feb 12th Marcus Simons and I drove to Charlottesville to support our Lodge and District 13 year old Boy Winner Hunter Watkins who is from the Warwick United Methodist Church to shoot in the Elks State Hoop Contest. Hunter did a great job just getting to State. He finished making 14 out of 25 shots to finish in 3rd place in the State. The Lodge funded he and his parents for the Trip. Thanks to Marcus for making the trip with me. See the pictures below.

ABOUT St. PATRICK'S DAY

This holiday is celebrated every year on March 17th, honoring the Irish patron saint, St. Patrick. The celebrations are largely Irish culture themed and typically consist of wearing green, parades, and drinking. Some churches may hold religious services.

People all over the world celebrate St. Patrick's Day. Feasting on the day features traditional Irish food, including corned beef, corned cabbage, coffee, soda bread, potatoes, and shepherd's pie. Many celebrations also hold an Irish breakfast of sausage, black and white pudding, fried eggs, and fried tomatoes. Common traditions include:

- Parades – This event is most often associated with the holiday. Cities that hold large parades include Boston, New York, Philadelphia, New Orleans, Savannah, and other cities worldwide.
- Dying water or beer green – Chicago dyes its river green for the festivities, and many bars serve green-dyed beer. The White House fountain is also dyed green.

RECIPE of the MONTH

Sautéed Catfish with Mustard Sauce

- ¾ cup plus 1 tablespoon heavy cream
- 4 teaspoons dry mustard
- 1 egg, beaten to mix
- 1 cup cornmeal
- 1 ¼ teaspoons salt
- 1/2 teaspoon black pepper
- 1 ½ pounds catfish fillets
- 3 tablespoons cooking oil
- 1 clove garlic, minced
- ½ cup canned low-sodium chicken broth or homemade stock

In a small bowl, combine 1/4 cup of the cream and the mustard. Let sit about 10 minutes. In a shallow dish, combine the egg with the 1 tablespoon cream. In another shallow dish, combine the cornmeal with 1 teaspoon of the salt and the pepper. Dip the fillets into the egg mixture and then into the seasoned cornmeal. Shake off the excess cornmeal. In a large nonstick frying pan, heat 2 tablespoons of the oil over moderate heat. Add half the cornmeal-coated fish and fry, turning once, until the fillets are golden on the outside and just done in the center, about 4 minutes per side for 3/4-inch-thick fillets. Drain the fish on paper towels. Repeat with the remaining 1 tablespoon oil and fish fillets. Wipe out the pan. Put the pan over moderate heat. Add the broth and garlic and bring to a simmer. Stir in the remaining 1/2 cup cream; simmer until reduced to approximately 1/3 cup, about 2 minutes. Stir in the reserved mustard cream and the remaining 1/4 teaspoon salt and simmer until warm through, about 1 minute longer. Serve the catfish fillets topped with the sauce.
