FROM THE EXALTED RULER

Timmy Means

THE STAR OF FIDELITY

To all ELKS of the Lodge

We are starting the third month of the Lodge Year and activities so far have been great. I look forward to the many things we have planned for the remainder of the year. Our activities, events and programs are only successful if Members participate.

In May the Community Activities Committee did a street cleanup. The youth Activities Committee held a fund raising dinner to support the VEA Camp attendees for this summer from our Lodge. The Veterans Committee collected, with much effort, donations to make 20 apartment starter kits for veterans and delivered them. They held a fund raising breakfast buffet and our Lodge participated in the Hampton Veterans Affairs Medical Center annual Country Fair. The Americanism Committee has the Memorial Day picnic planned.

In June the calendar shows the Annual Trustee BBQ Sale and concurrently the Veterans Committee will sponsor Yard and a Bake sale. The Activities Committee will host the Annual Breast Cancer fund raising dinner. Please see ads for details of the planed events following in the newsletter.

I would like to thank Dilma Kalum, our Lodge Scholarship Coordinator, for her efforts in making our participation in the Elks National Foundation`s Most Valuable Scholar Program a great success. On May 7, 2017 we hosted our five scholarship winners with their families at the Lodge for pizza and cake and presented them with their checks.

We have initiated 19 new Members in the last 12 months. I am appreciative for those new Members who have joined our Order and our Lodge. I will challenge those new Members to remember that being an Elk involves more than having a place to socialize (a bar). Our Lodge has a long standing reputation of supporting our community, our veterans programs, youth activities & supported charities. I am in my fifth year as your Exalted Ruler and I have taken notice that most anything that happens outside of the Social Quarters (bar) as a part of our Lodge Mission is done by a few volunteers. These Members continue, to their credit, to work hard each year to insure that our Lodge fulfills our goal to be an Elks Lodge who is a asset to our community. The few who have continuously volunteered

to work on committees and give of their time need some help. We have lost some long time volunteers this year just because they need a rest (called burn out) ! To new and some older Members too, I challenge you to get off the bar stool, spend a few hours a month and help us as a Lodge to continue to be a respected as member of our community. Also, to all Members, if the only reason you became an Elk was to have a place to sit at the Bar, maybe you should consider your motivation for joining! ELKDOM is much more than having access to a cheap place to drink! As your Exalted Ruler, I will gladly discuss with any Member having doubts of what being an Elk is all about. Call Me!

I will say to all Members who reside in the local area that Lodge business is conducted at Lodge Meetings. What constitutes Lodge Business by subject and order conducted is stated in Section 15.020 of the Statutes of the Order and on the last three pages of our Lodge By-Laws. Be there or you *LOOSE* your right to complain about the business conducted!

I WILL SEE YOU AT THE LODGE MEETINGS ON JUNE 7 th & 21 st

Elks Care - Elks Share

FROM the GRAND EXALTED RULER

Meeting the needs of veterans and military members

The Elks National Veterans Service Commission was established in 1946, immediately after World War II, with the sole mission of "Serving Our Nations Veterans." Though much has changed since then, the Elks' dedication to serve our veterans and military members in need has never changed.

Recently, I traveled to Washington, D.C., the epicenter of the military and veterans' affairs government agencies. Joined by Past Grand Exalted Ruler Paul Helsel and Government Relations team members Shawn Bullard and Jennifer Naaden, we met with top military and veteran officials. In these meetings, I received resounding gratitude and admiration for the Elks' service to the military and veterans.

The leaders asked the Elks to join them in addressing two challenges. First, numerous veterans are struggling to find employment. Frequently employers misunderstand a veteran's skill set and how to utilize it. This confusion has led to an increase of homeless veterans.

Second, there is a lack of awareness among the National Guard Bureau of the Elks' programs available for their members, veterans and their families.

How can your Lodge alleviate these problems? The answer will vary Lodge to Lodge, but here are some ideas. Your Lodge could facilitate career fairs, host workshops for business leaders on translating a veteran's skills into success, and provide veterans with professional skills training. Additionally, your Lodge could provide scholarships for veterans to further their education.

Since the onset of the War on Terror, National Guard members have been called to serve at an unprecedented rate. This has created difficulties for soldiers and their families. Vice Chief of the National Guard Bureau Lieutenant General Hokanson asked for greater collaboration between National Guard units and Local Lodges.

Hokanson has shared information on the Elks' programs, encouraging his Adjutant Generals to form relationships with Local Lodges. I ask every Lodge to reach out to your local National Guard unit and engage it on how to best support the soldiers and their families.

Look for more details of my D.C. trip in the July/ August edition of The Elks Magazine for more about the new partnerships with congressional, administration and military leaders.

May God bless our veterans and the men and women who serve in the military worldwide, and may God bless America. They will all be in the line of duty, and some of them may give their lives in that duty.

Thank you for Caring and Sharing and for continuing to demonstrate that, "Elks are Leading the Way."

MICHAEL F. ZELLEN - GRAND EXALTED RULER

SICKNESS & DISTRESS

Bill Dougherty's Brother passed on May 9, 2017. John McLean passed on May 5, 2017. He was our oldest Member at 94 and was an Elk for 46 years. Jim McGraft had surgery and the results were that it is beguine. Annette Spencer fractured a vertebra in her back.

Please let an Officer or the Editor know of any sickness or distress or call the Lodge and leave a message. Also, you can call PER Raymond Fletcher the Lodge Sickness & Distress Advocate to report sickness or for assistance for destressed Members. Raymond's phone # is (757) 871- 4894. If he doesn't answer leave a message & he will return your call.

SECRETARY NOTES

In the May 2017 Newsletter the policies concerning postings on the Lodge Bulletin Boards was outlined. Twice in the last 30 days I have received anonymous notes criticizing things on those boards for minor errors. I thank the Members for pointing out those errors. However, as a Member Elk you could have contacted the ER or me about the errors. I find it disturbing that a Member Elk of this Lodge feels that they can not bring a issue forward and openly and do not have the intestinal fortitude to identify yourself with your issue.

I am also the *Newsletter Editor*. I have performed this duty for 13 of the last 15 years. I do this as a Volunteer and do not receive compensation for the 25+ hours a month I spend doing it. Almost every month I have to rush to publish it mostly because some contributors seldom submit their inputs in a timely manor. I diligently work to avoid mistakes; however, sometimes they happen. Also, I use my personally owned publishing and photo editing software plus I take many of the pictures used. If any Member wishes to become the Editor please let the Exalted Ruler know. The task includes, but is not limited to, formatting & designing, editing written inputs, taking and working photo inputs, printing, folding, applying mailing seals, address labels, postage and shopping for supplies needed.

I was recently asked what is the criteria for "Life Membership". Article III of the Lodge By-Laws states the requirements. They are: an Elk with 30 years of continuous Membership in good standing of which the last 10 years must have been in our Lodge and be 65 years of age. An application will be in writing (letter format) and submitted to the Lodge Secretary.

I am normally in the Lodge on weekdays in the early afternoon. My cell # is (757) 879-3505 and Home # (757) 930-0877 and EMAIL at zalphandrews@cox.net or also at the Lodge (757) 877- 0171 (Bar) or (757) 633-2014 (Secretary Office) and Lodge EMAIL at bpoe315@yahoo.com.

Zalph Andrews, Jr. - Lodge Secretary

FROM the BOARD of TRUSTEES

The Board of Trustees held its Meeting on May 2nd, 2017. We discussed many lodge issues. We reviewed the previous month's vouchers and found no discrepancies.

We also discussed the annual Trustees' BBQ Sale that will be on the 9th and 10th of June. Flyers are posted with the prices (see the ad on page 8). Contact any of the Trustees or call in to the Lodge and the bartenders record your order for BBQ. We need all the orders in by June 7th so we acquire the pork butts we need. Concurrent with our BBQ Sale the Veterans Committee will host a Yard Sale and Bake sale on June 10th. Once again it will be a fun day, please come out and support.

I would like to thank all the smokers for using the two big flower pots for your cigarette butts. I can tell the difference. There is a lot less cigarette butts on the ground.

And just a friendly reminder about the black book behind the bar there to record maintenances issues in the Lodge. I feel it is working out great. Things are getting written down and they are being fixed. So once again if anyone finds an issue or something that needs to be fixed around our lodge, please let the bartender know and they will write it down.

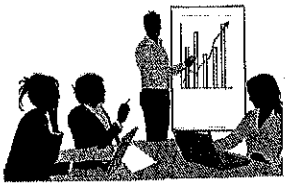
MEMBERSHIP COMMITTEE REPORT



We finished the last Lodge Year with a net Membership gain of 16. That was great! Also, we have Initiated five new Members this year plus we have two in process. However, so far this year we have had one member pass, two move out of state and take a transfer demit, one to resign as an Elk and two that apparently have moved as their dues statements and Newsletters are being returned by the USPS as undeliverable. But the really BAD news is that 15 Members, not included in the categories above, have not paid dues for the current year. The Delinquent Members are listed below:

Andrew L. Brandon
Danny L. Calkins
Mathew H. Crawford
Jeffery A. Gaddis
Kathryn Grenoble
Crystal Heidenthal
Stephen Heidenthal
Elise H. Lamontagne
Diane Mayer
Shane McRoy
Kenneth R. Robertson
Michelle Spencer
Mark A. Taylor
Angel L. Torres
Harry W. Westbrook

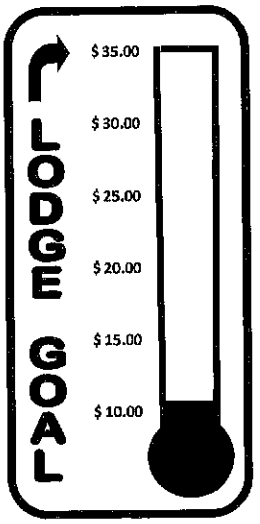
PLEASE BRING YOUR DUES CURRENT NOW!

Membership is the "lifeblood" of our Lodge. If you sponsored any of the Delinquents please contact them and encourage them to bring their dues current. The Membership Committee stands ready to help you in recruiting a new member.

SO, RECRUIT A NEW MEMBER TODAY!

Dawn Bardy - Chairwoman

FROM the ELKS NATION FOUNDATION COMMITTEE



Currently our Lodge is at $3.11, we are defiantly on our way to meeting the Grand Exalter Ruler goal of $4.65.

While reading the Elks National Foundations Media Page, I thought I would share how the Foundation helps locally in the States. Each year, the Elks National Foundation aims to grant more money back to our and all State Associations than it received in donations. These grants help fund the State Elks Associations' major charitable projects, which include aid for people with disabilities, cancer research, children's hospitals, youth camps, and safe havens for abused families. One beneficiary is, the Games Uniting Mind and Body Organization (GUMBO). The program was created by the Louisiana Elks Association. It is a track and field competition designed for school aged students with physical or visual disabilities. GUMBO presents an opportunity for the students to earn the positive characteristics of participating in sports, such as, self-confidence, testing one's physical abilities, and setting goals that lead to success.

Please continue to help donate to Elks National Foundation, we can show all what our Lodge Is all about.

Michelle Rowe - Chairwoman

FROM the YOUTH ACTIVITIES COMMITTEE

The Committee held a Fund Raising Bar Bingo on April 20th an a Spaghetti Dinner on Thursday, May 25th. We would like to say a big "Thank You" to all members who came out and supported these events. On the 25th we sold over 40 dinners. I could not have done it without the help Jeff, Vicki Andrews & Vicki Ferreira. The total raised at these events was in excess of $600. All proceeds will go to funding kids from our community to attend the Virginia Elks Association Youth Camp. So far we have eight girls signed up and they appreciate you help in getting them there.

Also, we thank Karl Nobel, Gene Nichols, Dana Burton & Ryan MacDonald for their independent donations to the Youth Camp this Lodge Year.

Michelle Rowe - Chairwoman

FROM the HOME CLUB HOUSE COMMITTEE

The Committee understands that some of the prices on the new menu are being questioned. We are still in the process of reviewing these items and making additional changes. Please be patient as we work through this as nothing has been changed in over four years.

It has been brought to our attention that some Members are walking in the Lodge in bare feet. For safety reasons shoes must be worn at all times as there could be glass (or something that could get stuck in you foot) in the cracks between the floor tile and carpet areas and this rule keeps us in compliance with the Insurance Policies.

We ask Members to understand that there are times when ordering food it takes a while to be served. Please be aware all food is cooked to order and the orders are processed as they are received. If there are 5 members placing an order and you are last, the other 4 members will be served first. Also is you are planning on coming in with a large group (4 or more) that will be ordering food, call ahead and we will try to have it prepped before you arrive.

When working an assigned shift the bartender is the ABC Manager on Duty (Virginia Law) and is *NOT* allowed to consume alcoholic beverages while they are working and serving. If you want to show your appreciation to a bartender with a drink, buy them a chip that they can use when they are off the clock. However, remember closing times are as published and must be adhered to.

The Committee will have a Hot Dog and Hamburger Stand at the joint Trustee BBQ and Veterans Committee Yard and Bake Sales on June 10th.

If you have any questions or concerns please speak to a Member of the House Committee or come to a meeting. All members are welcome to attend. Meetings are held the 2nd and 4th Wednesday of the month.

A LITTLE MILITIARY HUMOR !

A Marine instructor in chemical warfare asked soldiers in his class: Anyone know the formula for water? Sure. That's easy, said one recruit. What is it? H, I, J, K, L, M, N, O. What, what? Asked the instructor. H to O, explained the recruit. You are officer material son ! Semper Fi !

As a Captain, My Gunnery Sergeant and I were inspecting a Marine training exercise when we spotted a Second Lieutenant ambling about. "Where is your foxhole, Lieutenant?" I asked. He snapped off a salute and responded, "I don't know, sir!" Turning to the Sergeant, he asked, "Gunnery, where is my foxhole?" "You're standing in it, sir," said the Sergeant. "All you have to do is remove the dirt."

During orientation at Fort Sill, in Oklahoma, our First Sergeant stated that if a solider lost his locker key to see him, as he kept a master key in his office. Sure enough, a few weeks later, I lost my key. I walked into the orderly room and asked the First Sergeant if I could borrow the master key. "Why, certainly, Solder" he said, as he reached under his desk and handed me a large pair of bolt cutters.

One reason the Services have trouble operating jointly is that they don't speak the same language. For example, if you told Navy personnel to "secure a building," they would turn off the lights and lock the doors. Army personnel would occupy the building so no one could enter. Marines would assault the building, capture it, and defend it with suppressive fire and close combat. The Air Force, on the other hand, would take out a three-year lease with an option to buy.

RECIPE of The MONTH

BEER ROAST

3 slices bacon, cut up
1 bay leaf
4 ½ to 5 pounds chuck or round roast
6 medium onions, sliced
6 carrots, cut in 1-inch chunks
3 (12 ounce) cans beer
Salt and pepper to taste
fresh parsley
dash of dill
1 teaspoon thyme
2 slices whole wheat bread
prepared mustard
2 to 3 pounds potatoes, cut in 1 inch cubes

Sauté bacon in stew pan. Remove and save to use later. Brown roast well in bacon drippings. Add vegetables and seasonings. Pour beer over all and bring to boil. Spread a thin layer of mustard on bread slices. Place on top of roast. Cover and roast at 300 degrees for 4 hours. When ready to serve, stir bread into sauce in pan. Sprinkle bacon bits, parsley and dill on top.
