FROM THE
EXALTED RULER

To all ELKS of the Lodge

Barbara McDonald

Hello my fellow Elks, summer is fast ending and we are now entering our busy time of the year with Back to School, Trunk or Treat, Holiday Baskets, Breakfast with Santa and our annual Holiday party. More information will be posted as the events get closer.

The first meeting in September, which is the 6th, will be our annual District Deputy Visit and Audit. All officers are asked to attend that meeting. If you cannot attend please let me know in advance. We will have an initiation during that meeting. Officers must wear their gray and blue. Officers please be at the Lodge by 5:45 PM as we will be having dinner prior to the meeting.

I have placed a sign up sheet for the Denbigh Days Parade, which will be held on September 16th. If you are interested in participating please add your name to the sheet. When adding your name please indicate your shirt size. In order for us to participate I need to have the application submitted by September 4th.

The Round Up charity for the month of September will be Animal Aid.

The District Deputy clinic was held August 12th at Virginia Beach. Our new District Deputy Ken Vader was vested with his Jewels of Office, as was Henry Farnum who will be his Esquire. Congratulations Henry.

During the meeting the Youth Camp representative discussed changes to the Registration forms. They will now require the Name and Number of the Lodge that the camper is being sponsored by. The first weekend of November will be

an open weekend for Elks to visit the Camp for a relaxing weekend.

For the Americanism Essay contest entries are due by September 15th. If you have a student interested in writing an essay please let us know and we can get you the information regarding requirements.

Our VEA First Lady Lindy Henline spoke about her focus for the upcoming year that is for the Homeless. She is asking for support of the Therman Homeless Shelter in the manner of financial donations, such as money or gift cards for Walmart, Target or Costco. This shelter functions solely on donations, they do not receive any aid from the State or Federal governments.

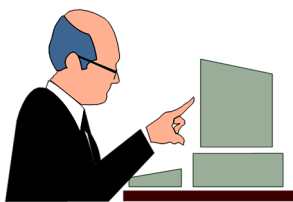

There was also discussion regarding the charitable gaming and permits that are required. We do have our permits and they are posted on the wall behind the bar.

Drug awareness is still very focused on the fentanyl overdoses. Drug awareness materials should be distributed at any activity where youth is involved, such as Denbigh Days, Trunk or Treat, Hoop Shoot. One slogan for this year is "Be kind to your mind. Live drug free".

The VEA Fall Convention will be at the Sheraton Hotel in Virginia Beach. It will be held from October 23rd through the 29th. There is a group room rate available for the 26th through the 29th. A golf tournament will be held on Friday the 27th. We have been challenged with entering a team and sponsoring a hole for \$25.00. The hole sponsorship was requested during the August 16th Lodge Meeting and has been approved.

SECRETARY NOTES

September starts a normally busy fall for LODGE activities and the return to two monthly Lodge Meetings.

There are still 17 Members delinquent in Lodge Dues for this Lodge Year. They were listed by name in the April, May and June issues of this Newsletter. They were mailed reminder letters on August 7, 2023. Those still delinquent will be dropped as a Member on October 1, 2023.

I wish to apologize to the Exalted Ruler, Lodge Officers and Members because of not being available for the Lodge Meeting on September 6th during the DDGER visit and the audit of our Lodge.

(Continued on Page 3, Top Left Column)

FROM the GRAND EXALTED RULER

Labor Day, the "unofficial end of summer," is observed on the first Monday in September. In addition to marking the beginning of fall activities and sports, the holiday pays tribute to the contributions and achievements of American workers. In honor of this national holiday, please accept my thanks for all you do for Elkdom. Your dedication truly exemplifies that "Elks Care — Elks Share."

Our Lodge activities will once again move at a very fast pace. It is time to take a look at what the fall season means to us as Elks. September is the beginning of the District Deputy Lodge visits. These visits will provide a look into your overall Lodge operations. Be sure to plan for the visit with your Lodge board of directors by completing the audit items, building a self-inspection checklist and all the other information needed by the DD. This will give you ample time to prepare your Lodge for a successful visit.

The end of this month will bring an end to the first half of this Lodge year. This is an excellent time to see how you stand with your goals for the year. Are you on track to meet those goals or are adjustments needed? By evaluating where you are now, you will be better prepared to make those decisions.

The reopening of schools in your communities presents us excellent opportunities to encourage our youth. Supporting local sports programs and any youth-related activities are great ways to show your Lodge support and community spirit! Look into and apply for the many Elks National Foundation program grants. These grants are available to financially assist in your community partnerships with our youth. Remember, "We Are THE Elks" and we take pride in helping the youth of today grow into the leaders of tomorrow.

It is also a time to seek out your school guidance counselors and provide them with the applications to much needed financial support. Please follow the Elks website for deadlines to apply for these grants.

Don't wait; act quickly. The Elks support Patriot Day on September 11 each year in memory and honor of all those who lost their lives during those horrific attacks, including the first responders and community members who sought to help the crash victims. The Elks have developed a Patriotism Week Proclamation that I encourage all Lodges across our great country to embrace. The proclamation is located in the Fraternal Committee section of elks.org in a PDF format: elks.org/grandlodge/fraternal/files/patriotismWeekProclamation.pdf.

Please take the time to download this very important proclamation. Have your local government officials place it on their agenda to recognize our freedom and to honor our nation.

Remember "Elks Care — Elks Share" and "We Are THE Elks."

God bless our great Order, our troops, and the United States of America.

Randy P. Shook - Grand Exalter Ruler

EDITORS NOTE: The source of the above article is *ELKS.org*, the format, ***BUT NOT the CONTENT***, was edited for this Newsletter.

The reason for my absence is that I will be in Kentucky at the 58th Reunion of my Army Flight School Helicopter Class that we do every three years. Of the 53 of us who graduated on June 28th 1965 only eight are left and we are all in our eighties of age. Of the eight of us left two flew three one year tours in Vietnam and six of us flew two tours. Nine of our class were killed on missions there as pilots. These Reunions are always very important to me. Again, I apologize for missing the important Lodge Meeting. Michell Rowe will be substituting for me at the Meeting and she is very well qualified to do so.

I am normally in the Lodge on weekdays in the early afternoon. My cell # is (757) 879-3505 and Home # is (757) 930-0877 and my EMAIL is zalphandrews@cox.net. At the Lodge # (757) 877- 0171 (Bar) or # (757) 833-6416 (Secretary Office) and the Lodge EMAIL is bpoe315@yahoo.com.

LODGE TRUSTEES REPORT

The Trustees met on Tuesday August 1, 2023 at 12:00 (Noon) PM.

Trustees discussed the “Challenge Coins” and are working on getting them ordered and will announce how they will be handled once they are received.

During August Lodge Meeting, the Trustees put forth a motion requesting funds to purchase a new outside smoker for the Lodge to replace the old outside grill system. This will hopefully increase kitchen participation as there are a number of Members who enjoy cooking on a smoker and also allow for new and exciting meals to be offered to our Members. The motion was passed and we will be working on getting it ordered and delivered.

The Lodge Web Page, which had funding approved in July Lodge Meeting, is underway. Trustees are working on an inventory system to ensure all major assets of the Lodge are accounted for according to Grand Lodge requirements and also for insurance purposes.

There is an Issues Book behind the bar where you can record any specific item a Member thinks needing our attention. The Trustees will review this book during our meetings.

Trustees are planning on doing a BBQ sale during the Veteran’s Committee Yard Sale in October.

Trustees would like to thank all the Members of the Lodge, who are cigarette smokers, for abiding to the new non-smoking policy. The awing was installed and we are looking at other options on improving the area used, to include looking at having the deck rebuilt to eliminate the issues with the current one.

The Trustees meet the 1st Tuesday of each month, all Members are invited to attend the meeting if they desire to do so. September’s meeting will be on the 4th at 12:00 (Noon) PM. If you have an issue you would like to bring up at a meeting, let me know in advance so I can get it added to the agenda.

VETERANS COMMITTEE REPORT

Big shout out to everyone that supported our Fund Raising Dinner! It was a huge success. From the raffles and donations, we were able to earn \$460.00 and that does not include the 34 dinners we sold. Thank you.

September is going to be a busy month for our Committee. We will begin accepting donations for our Annual Yard Sale starting September 1, 2023 through October 6, 2023. The Yard Sale will be held on October 14, 2023. We are partnering with the Trustees Pork Butt Sale and hosting a Bake Sale. If you want to participate but host your own table, the cost will be \$10.00 for Members and \$15.00 for non Members.

The Veterans Committee has established a book swap rack in the main room. For all those readers, bring a book and take a book. If you have books to donate that would go a long way to building a great variety of books available to select from. Enjoy.

Our next Veteran Committee Meeting will be held on September 7, 2023, at 6:30 PM. All are welcome to participate.

The Veteran's September Breakfast will be held on September 24, 2023.

GIVE NEW LIFE THROUGH A ORGAN DONATION

From the Grand Lodge Fraternal Committee

Let's talk about organ donations. It sounds scary to most of us.

Organ donation is a hard choice to make when a loved one has passed. Oftentimes, the decision should have been made by the donor beforehand, but in some cases, sudden death happens and no plan is in place. Organ donation may be the most difficult decision relatives will ever have to make.

No one has to donate, but it's a wonderful gift — the gift of life — that you can give someone else and their family.

Most of us don't tend to realize how these donations can help others.

Donation of organs, tissue, and eyes can be used for those who are afflicted by muscular degeneration, diabetic retinopathy, and glaucoma.

Tissues are also used for stem cells, grafts, and bladder slings.

Give new life through organ donation The lungs and liver are the most sought after and needed. There are more than 113,000 people in the United States waiting for kidneys, livers, and heart transplants.

An average of 20 people a day die because there wasn't a donation that could get to them fast enough.

Another factor is that not having enough donations creates illegal harvesting, buying and selling of organs. When people are dying and desperate, they will do just about anything. These operations with illegal organs are very rarely done in hospitals or clinics, cutting their success rate to less than half.

Many people don't consider the ramifications of organ donation until a family member, loved one, or friend has to find a solution.

I hope this makes you think about how important donating actually is, and sign a organ donor card today.
